Certificate

We confirm that you have participated in the survey for ammonia in serum.

You have met the requirements of the survey for the following analytes:

Ammonia (2)

This certificate is according to the current version of the RiliBÄK valid until the end of October 2020.

The number in parentheses characterizes the analytical method used.

The assignment of the number to the respective method and/or the respective instrument is to be taken from the total evaluation.
